

At the **Dean of Chess**

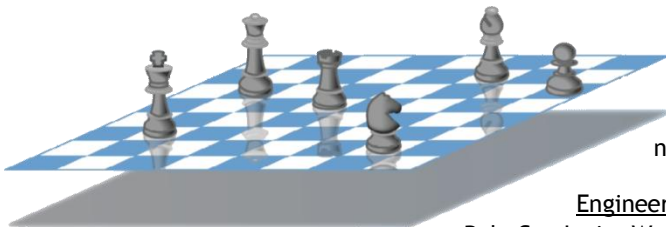

# Engineering + Chess 2010 Summer

## Schedule/Discount

- Six weeks: 7/12, 7/19, 7/26, 8/2, 8/9, and 8/16. Hours: 9A-12P, 1P-4P, OR 9A-4P.
- **\$40 Discount** if signing up for both Engineering and Chess Tracks in the same week. **10% sibling discount.**
- **FLEXIBLE** Extended hours to 6pm at additional cost.
- Bring your own lunch, and snacks for each session.
- 6:1 to 10:1 Students:Instructor ratio depending on the class.

## Recognition/Award/Contests:

- All sessions are concluded with robotics presentation or mini-competitions, as well as chess game contest.
- All receive participation medals. Trophies will be awarded to the top individuals of each section.

### Staff:

**Chess Track:** From a team of Elite Instructors led by New Jersey's Chess Teacher of the Year, International Master of Chess and many other nationally ranked and award winning coaches.

**Engineering Track:** From Storming Robots, LLC, who represented U.S. in the 2009 RoboCupJunior World Championship in Austria.

## Code of Conduct:

Code of conduct is STRICTLY enforced. If a participant repeatedly violates the code or commits serious disciplinary offense(s), participation will be terminated at the administration's discretion.

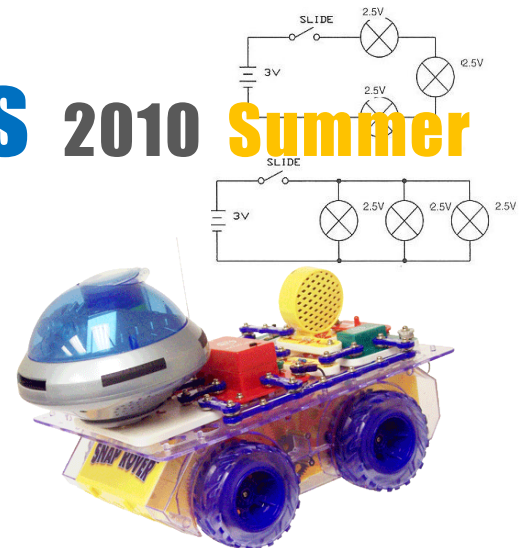

### ❖ Engineering Track ❖

**Circuitry:** (Grade 3-6) Utilize the Award Winning Circuitry learning tool to allow children to grasp the basic principles of electronics. Have children engaged in building many useful electronic gadgets, including AM radios, burglar alarms, doorbells and much more! Topics include: Resistors, Capacitors, Transistors, Series vs. Parallel Circuits. They all will be familiar with drawing simple circuitry schematics as well. **Special!** All students will bring home their final circuitry design work.

**PreRobotic:** (Grade 2-4) Learn about the basic mechanics in building robots, and automate them to simulate human actions and behaviors.

All classes keep daily engineering journal.

The classes will be concluded with the "Best" circuitry design work. This best performer will also receive a trophy.

### ❖ Chess Track ❖

For K to Grade 8:

Camp begins with an evaluation of playing ability. You will continue to be challenged even if you have taken previous Chess Master classes. A post-camp written evaluation will be completed to show your progress. Students are grouped based on age, experience, instructor evaluation, and session option.
