

# Steps to obtain your Rebate for purchasing RobotC License:

License activation is required for rebate. A rebate is provided only after a verification is received from RobotC – Robotics Academy. However, this may take one to three months. Storming Robots would like to provide you the rebate as soon as you activate your license. In order for us to do so, all you need to do is to capture the activated license screen and email to [office@stormingrobots.com](mailto:office@stormingrobots.com), and rebate will be provided to you within 5 business days. Sample below:

## 1) Activate the RobotC license.

## 2) In Window Menu:

- Select "All Programs"
- Select "Accessories"
- Then Snipping Tool
